Dear Son Frank

We received your Letter of the 17th and in answer to it I will say, that you can do as you think best, I will not hinder you ~~that~~: if you think you can do better than to work on the Farm.

I was not as old as you are, when I started out in the World among Strangers, and my conduct was such, that I always had Friends.

If you think best in making a start by taking an agency, never take a mean advantage of any one, in any transaction of the business. But always do, as you wish to be done by. We are all well

from your Father
