

OFFICE OF
Clerk of Chippewa Twp.
WAYNE COUNTY, OHIO.

Doylestown, Ohio. April 3rd 1889

Mr F. A. Biley

Dear Bro

Yours received this evening
also the one before this was received but have
been a little busy the past few days it
being spring election I had a good deal
of work to do to get ready for it.
Also I had a Democrat come to my
house last week and he did not have any
clothing so I had to attend to his wants
~~and~~ and did not get time to write, all are
doing well at present. Frank as to the
business I spoke of was only school matter
I thought it would not be much out of
your way to come and see me and
get acquainted with the Professor but as
you have went home it would not be
necessary to come for that, as he will

stay here another year and then if there
is any show I will attend to it for you
if I am here. I hope you can get
a good position in the near time.
Give my love to all

Your Bro.
